

Statement of Values

SHE is a feminist, community led, rural initiative to support women into political life.

- We believe in an inclusive Ireland where women's human rights and equality are respected and protected, and women are not discriminated against.
- We believe in showing dignity and respect to everyone irrespective of race, ethnicity, gender, class, age, religious beliefs, political beliefs, ability, and sexual orientation.
- We believe in working positively and respectfully together to change inequality in political participation.
- We are committed to working from a feminist perspective to advocate these values.

Anyone wishing to engage with our initiative is required to hold these same values.
